

KENYA TRADE NETWORK AGENCY (KENTRADE)

Simplifying Trade Processes for Kenya's Competitiveness

KenTrade partners with KRA to boost Cargo clearance experience

Nairobi Wednesday July 29, 2015

Kenya Trade Network Agency (KRA) in collaboration with Kenya Revenue Authority (KRA) has successfully conducted upgrade of the integrated electronic cargo clearance platform that will greatly improve the user experience and business transaction turnaround time.

The integration of the KRA TradeX (SIMBA) and KenTrade's Kenya TradeNet Systems underwent upgrade last week by the system developers from Senegal Gainde2000 and Singapore, CrimsonLogic working jointly with Kenyan teams from the two institutions.

The TradeX and TradeNet Systems intergration upgrade is a boost to the efficiency in the processing of trade transaction documents lodged through the Systems including cargo import permits issuance.

The management of KenTrade wishes to thank Kenya Revenue Authority, Gainde 2 000 and CrimsonLogic for the success.

ENDS

About KenTrade

The Kenya Trade Network Agency (KENTRADE) is a State Corporation under the National Treasury mandated to among other things, implement, operationalize and manage the Kenya National Electronic Single Window System as well as other trade facilitation initiatives. The Single Window System (also dubbed as the KenyaTradeNet System) is an electronic platform which integrates electronic systems international trade transactions with an aim of simplifying clearance processes of cargo passing through Kenyan borders.
