**ADDENDUM No. 3**

KenTrade has received the query below from one bidder and wishes to respond as follows:-

	<b>BIDDER'S QUERY</b>	<b>KENTRADE'S RESPONSE</b>
1.	Please clarify whether KenTrade is flexible or accommodative to other financing models. The tender document envisions ONLY a One off Set up fee for the PG Solution and annual applicable costs to running of the payment gateway. Can bidders propose other financing models in the Commercial Proposal?	<i>Please note that the financing model required is as per what is set out in the tender document and bidders should quote as per that requirement.</i>  <i>The Agency will not consider proposals outside this model for now.</i>

The above addendum and clarification forms part of the bidding document and is binding on all bidders.
